Re: Carriage Horse Freedom of Information Request

Dear Ms. Forel:

I am writing in regards to your Coalition's request, under the Freedom of Information Law (FOIL), for the below listed Carriage Horse information:

Number of carriage horses licensed for years 2000, 2001, 2002, 2003, 2004 to include:

- 1) For each year in question - the proper name and license/registration numbers of each carriage horse owned that is used by the NYC carriage horse industry, including the gender, current age and age with (sic) purchased.
- 2) This must include the horse number, name of the owner and stable.

Please be advised that only records and documents from year 2002 to present regarding working horses are available and no listings of carriage horses for previous years (2000, 2001, 2002, 2003, 2004) are maintained. A list of currently licensed (October, 2005) carriage horses, by Stable, Horse Owner, ID Number, Camis Number (where available), License Number (where available) and Horse Name, is attached. A listing by gender, current age and age when purchased are not kept in the ordinary course of business.

If you have any questions about the data presented, please contact me at (212) 676-2117.

Sincerely,

Edward W. Boyce
